

Wall of Honor Tiles

The new **Veterans Memorial Museum** structure is now complete but there are a number of projects still remaining to be done. As a veteran or friend/family member of a veteran you can help through your participation in the *Veterans Wall of Honor*.

For each \$100 donation to the Museum Tile Project, we will mount a 6x6 inch porcelain tile with a veteran's name of your choice and selected service information. Veterans are considered as anyone who has served in the U.S. military service branches of the Air Force, Army, Coast Guard, Navy, Marine Corps, Merchant Marines, National Guard, and all Reserve Units, from the Revolutionary War to the present time.

The **Veterans Wall of Honor** and the **Veterans Memorial Museum** are national in coverage and dedicated to all who have served or are currently serving their country.

The Wall can be viewed in the covered entryway of the Museum. There is still space remaining on this wall. There is room for an additional 1,000 tiles on a second, adjacent wall.

Our Mission

To establish and maintain a museum for the inspiration, remembrance and presentation of the memory of all America's veterans and of their sacrifice for America's freedom.

Our Goal

To preserve the memories of those who have served.
